## July 2021

The White House recently announced additional measures to help struggling homeowners avoid foreclosure as they exit forbearance, including loan modifications and payment reductions. Borrowers with federally backed mortgages can lock in lower interest rates and extend the length of their mortgages. For borrowers who can't resume their monthly mortgage, HUD will offer lenders the ability to provide all eligible borrowers with a 25% principal and interest reduction.

New Listings were down 8.4 percent for single-family homes and 14.1 percent for condominium properties. Closed Sales decreased 11.2 percent for single-family homes but increased 11.7 percent for condominium properties.

The Median Sales Price was up 18.5 percent to \$560,000 for single-family homes and 12.9 percent to \$480,000 for condominium properties. Months Supply of Inventory decreased 45.0 percent for single-family units and 50.0 percent for condominium units.

The National Association of REALTORS® reported inventory of homes for sale nationwide rose slightly in June as more sellers list their homes, hoping to take advantage of record-high sales prices across the country. Even with renewed home seller interest, inventory overall remains 18.8% lower than a year ago, according to NAR.
