

REALTORS® Support Fair Housing & Diversity Education

The Massachusetts Association of REALTORS® (MAR), a 95-year old professional trade association with 27,000 members, supports a new bill (H.333/S.204) requiring fair housing and diversity education for MA real estate licensees.

- Fair Housing Law Touches Every Transaction – therefore it is essential that licensees know and understand how it works.
- Hours Requirements – the bill requires 4 of 40 licensing course hours and 2 of 12 biannual continuing education hours be completed in fair housing law or diversity and inclusion in real estate.
- Technical Cleanup – in addition to removing decades old effective dates, the bill also alleviates misalignment with licensing provisions to incentivize new licensees to take continuing education courses earlier in their first renewal cycle.
